

enormously popular and even iconic. Genuine Nike Products are instantly recognizable among the purchasing public in the United States and around the world. Nike Products are among the most recognizable footwear and apparel products in the world. To indicate Nike's high-quality products, Nike Products typically include at least one of Nike's federally registered trademarks.

6. Nike also spends considerable resources enforcing and protecting its brand. Nike has registered many trademarks with the United States Patent and Trademark Office, including the following registered trademarks ("collectively, "the Nike Trademarks" or "Nike's Trademarks"). Nike uses and has used its trademarks in connection with a variety of goods and services since the company was established in 1964.
