

11. The DEWALT Trademarks are registered with the United States Patent and Trademark Office and are included below.

Registration Number	Trademark	Registration Date	Goods and Services
7,667,932	DEWALT	Jan. 28, 2025	For: Lighting products, namely, flashlights, work lights, portable head lamps, all-purpose area lights and accessories, namely light bulbs and tri-pods for use with lighting products, excluding for use with camera in Class 011.
6,843,027	DEWALT	Sep. 13, 2022	For: Nails and metal staples for construction or industrial use in Class 006. For: Power tools, namely, staplers and nailers in Class 007.
6,179,707	DEWALT	Oct. 20, 2020	For: Hand tools in the nature of utility bars, namely, wrecking, flat, pry, and molding bars; Handheld non-powered hammers, hatchets, axes and sledgehammers; Hand tools in the nature of clamps, namely, bar, angle, pipe, band, corner and trigger clamps; Hand tools, namely, socket sets comprised of sockets, extensions, adaptors and ratchet also sold individually; Hand tools in the nature of knives, namely, fixed blade knives, utility knives, pocketknives, retractable utility knives and

		snap-off knives, folding knives, and blades for use or sold with said knives; Manual-operated fastening tools, namely, staple guns, hammer tackers, tackers, pliers for assembling fasteners, and riveters; Hand tools, namely, chalk line reels, chalk and line refills being replacement parts for chalk line reels; Hand tools, namely, nail sets and punches; Hand tools, namely, crimpers, pipe duct cutters, aviation snips, seamers, notchers, pliers, nippers, locking pliers, tin snips and snap lock punches; Hand tools, namely, screwdrivers, ratcheting screwdrivers, hex keys, and folding hex keys; Multi-purpose hand tools comprised of a combination of two or more of a plier, scissor, screwdriver, wire-cutter, wire stripper, and blade; Hand tools, namely, chisels, wood chisels and cold chisels; Hand tools, namely, handheld saws, handsaws, hacksaws and jab saws; Hand tools, namely, handheld wrenches, combination wrenches, ratcheting wrenches, adjustable wrenches, box end wrenches, open end wrenches, and torque wrenches in Class 008.
--	--	---

5,640,184	DEWALT	Jan. 01, 2019	For: Metal products, namely, metal wall fasteners and metal masonry anchors in Class 006.
5,640,189	DEWALT	Jan. 01, 2019	For: Unprocessed epoxy resin; construction industry adhesives; industrial adhesives for masonry and concrete use in Class 001.
4,974,115	DEWALT	Jun. 07, 2016	For: Battery powered lawn and garden tools, namely, string trimmers, hedge trimmers, blowers for lawn debris, chain saws and mowers for Class 007.
4,641,690	DEWALT	Nov. 18, 2014	For: Ladders, namely, step, extension, attic and multi ladders, step stools and project ladders, all primarily made of non-metal; ladder accessories, namely, non-metal ladder shoes, non-metal ladder locks, covers specially designed for non-metal ladders, ropes and non-metal tie downs specially designed for non-metal ladders in Class 020.
4,641,691	DEWALT	Nov. 18, 2014	For: Ladders, namely, step, extension, attic and multi ladders, step stools and project ladders, all primarily made of metal; ladder accessories, namely, metal ladder shoes, covers specially designed for metal ladders, ropes and metal tie downs specially designed for metal ladders in Class 006.

3,664,084	DEWALT	Aug. 04, 2009	For: Tool belts; tool pouches for attachment to tool belts, namely, nail pouches, electrician pouches, drywall pouches, pliers/tin snip pouches, trim carpenter's pouches, telecommunication pouches, tool holders in the nature of electrical test kit holders, hammer holders, tape measure holders; and drill holsters in Class 008. For: Soft-sided tool bags sold empty; Fastener bags for holding fastener tools sold empty in Class 018.
3,618,505	DEWALT	May 12, 2009	For: Educational publications and reference books, namely, training manuals and professional reference books and manuals in the field of construction and maintenance in Class 016.
3,277,015	DEWALT	Aug. 07, 2007	For: Laser levels in Class 009.
2,958,104	DEWALT	May 31, 2005	For: Protective industrial footwear for professionals in the construction, remodeling, woodworking and like industries for Class 009. For: Footwear for professionals in the construction, remodeling, woodworking and like industries, not for protective purposes in Class 025.

2,786,301	DEWALT	Nov. 25, 2003	For: Portable Electric Generators in Class 007.
2,656,133	DEWALT	Dec. 03, 2002	For: Safety eye glasses in Class 009. For: Wristwatches and clocks in Class 014. For: Bumper stickers; pens; pencils in Class 016. For: Counter Stools in Class 020. For: Insulated cup holders; portable coolers; coffee cups; sports bottles; insulated travel mugs in Class 021. For: Clothing, namely gloves, hats, jackets, shirts, sweatshirts, t-shirts and caps in Class 025.
2,605,311	DEWALT	Aug. 06, 2002	For: Air compressors in Class 007.
1,734,403	DEWALT	Nov. 24, 1992	For: Power operated tools and machines; namely, drills, and hammer drills; impact wrenches; planers; routers; sanders; and saws; namely, chop saws, circular saws, miter saws, reciprocating saws, bits; namely, drill bits, router bits, and screwdriver bits; drill chucks; drill chuck keys; hole cutter; hole saw mandrels; saw blades; and wheels; namely, abrasive wheels, grinding wheels, and wire wheels; and parts

			therefor in Class 007. For: Battery packs and battery chargers in Class 009.
621,152	DEWALT	Feb. 14, 1956	For: Power saws and woodworking machines, and parts thereof and attachments therefor in Class 007.
4,062,422	YELLOW & BLACK	Nov. 29, 2011	For: Power tools, namely, drills, cordless drills, hammerdrills, screwdrivers, circular saws, worm drive saw, miter saws, reciprocating saws, jigsaws, grinders, chop saws, sanders and routers; power tool parts and accessories, namely, drill bits, hole saws, hole saw mandrels, screwdriver tips, dust bags for vacuum cleaners, crown stops, blades, grinding wheels, abrasive wheels and collets in Class 007.
3,727,526		Dec. 22, 2009	For: Circular blade for electric power saw in Class 007.

2,999,545		Sep. 27, 2005	For: Power tool cases made of plastic sold as a unit with a power tool in Class 007.
2,902,806		I.Nov. 16, 2004	For: Battery chargers for use with electric power tools in Class 009.
2,901,234		Nov. 09, 2004	For: Power Operated Tools Namely, Sanders, Grinders, Drills, Circular and Reciprocating Saws, Plate Joiners, Routers, Jig Saws, Impact Drivers and Shears in Class 007.
2,658,744		Dec. 10, 2002	For: Safety eye glasses in Class 009. For: Wristwatches and clocks in Class 014. For: Bumper stickers; pens; pencils in Class 016. For: Counter Stools in Class 020. For: Insulated cup holders; portable coolers; coffee cups;

			sports bottles; insulated travel mugs in Class 021. For: Clothing, namely, gloves, hats, jackets, shirts, sweatshirts, t-shirts and caps in Class 025.
1,950,781	<u>DEWALT</u>	Jan. 23, 1996	For: toy vehicles in Class 028.
1,734,404	<u>DEWALT</u>	Nov. 24, 1992	For: power operated tools and machines, namely, drills, drill presses, and hammer drills; impact wrenches; planers; routers; sanders; and saws, namely, chop saws, circular saws, miter saws, reciprocating saws, and table saws; bits, namely, drill bits, router bits, and screwdriver bits; drill chucks; drill chuck keys; hole cutter; hole saw mandrels; saw blades; and wheels, namely, abrasive wheels, grinding wheels, and wire wheels; and parts therefor in Class 007. For: battery packs and battery chargers in Class 009.
4,926,594	POWERED BY DEWALT	Mar. 29, 2016	For: Battery Packs in Class 009.
7,993,379	DEWALT ELITE SERIES	Oct. 21, 2025	For: Blades for power saws, namely, circular saw blades, reciprocating saw blades, and diamond blades; drill bits, hammer bits, and holesaws for power drills and power

			hammer drills; abrasive wheels for power grinding tools in Class 007.
6,755,429	DEWALT POWERSTACK	Jun. 07, 2022	For: Batteries, battery packs and battery chargers therefor, all for use with power tools in Class 009.
6,130,400	FLEXVOLT	Aug. 18, 2020	For: Powered outdoor tools, namely, blowers, chainsaws, string trimmers, and mowers in Class 007. For: Battery packs and chargers for use with outdoor powered tools in Class 009.
5,101,742	FLEXVOLT	Dec. 13, 2016	For: Power tools, namely, drills, rotary hammers, grinders, circular saws, miter saws, and reciprocating saws, and including power tool accessories, namely, circular saw blades, reciprocating saw blades, holesaws, and grinding wheels in Class 007. For: Battery packs and chargers for use with power tools in Class 009.
6,457,330	FLEXVOLT ADVANTAGE	Aug. 17, 2021	For: power tools, namely, drills, grinders, circular saws, and reciprocating saws in Class 007.
5,612,591	XR	Nov. 20, 2018	For: Oscillating power tool saw blades, oscillating power tool cutting blades, and oscillating power tool abrasive tools, each for use with oscillating power tools in Class 007.

4,793,824	XR	Aug. 18, 2015	For: Power tools, namely, drills, hammer drills, impact drivers, nailers and oscillating saws in Class 007. For: Batteries and battery packs for use with power tools in Class 009.
4,793,825		Aug. 18, 2015	For: Power tools, namely, drills, hammer drills, impact drivers, nailers and oscillating saws in Class 007. For: Batteries and battery packs for use with power tools in Class 009.
7,699,330	XR POWERPACK	Feb. 18, 2025	For: Battery packs for power tools in Class 009.
7,699,331	XR POWERPACK	Feb. 18, 2025	For: Battery packs for power tools in Class 009.
7,668,852		Jan. 28, 2025	For: Chargers for battery packs used with powered tools in Class 009.
5,772,583		Jun. 11, 2019	For: USB battery pack adaptor in Class 009.

3,066,990		Mar. 14, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a bench grinder in Class 007.
3,067,004		Mar. 14, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a plate joiner in Class 007.
3,066,991		Mar. 14, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a router in Class 007.
3,064,656		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a chop saw in Class 007.
3,064,663		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a construction site battery charger and radio in Class 009.

3,064,653		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a cordless circular saw in Class 007.
3,064,652		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a straight/die grinder in Class 007.
3,064,671		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a joist and stud drill in Class 007.
3,064,650		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a polisher in Class 007.
3,064,654		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely shears in Class 007.

3,064,649		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a trim router in Class 007.
3,064,666		Mar. 07, 2006	For: Electric power tools having an electric motor or other electric driving system, or powered by a source of electric energy, namely a battery pack, distributed for use in construction, specialty trades, woodworking, retail sales and/or general service and repair industries and used in the foregoing trades, industries or in and around the home in Class 009.
2,474,794		Aug. 07, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a chop saw in Class 007.

2,447,322		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a band saw in Class 007.
2,447,328		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by a source of electric energy, namely a cordless right angle drill, distributed for use in the construction, specialty trades, woodworking, retail sales and/or general service and repair industries and used in the foregoing trades, industries or in and around the home in Class 007.
2,447,327		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a nibbler in Class 007.
2,447,318		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a planer in Class 007.

2,447,321		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a plate joiner in Class 007.
2,447,323		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely, a rotary hammer in Class 007.
2,447,316		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a scroll saw in Class 007.
2,447,319		May 01, 2001	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy namely, a table saw in Class 007.
2,437,867		Mar. 27, 2001	For: Electric power tools having an electric motor or other electric driving system or powered by electric energy namely, a sliding compound miter saw in Class 007.

2,348,051		May 09, 2000	For: Electric power tools having an electric motor or other electric driving systems, or powered by electric energy, namely a hand sander in Class 007.
2,348,072		May 09, 2000	For: Electric power tools having an electric motor or other electric driving systems, or powered by a source of electric energy, namely an electric screwdriver, distributed for use in the construction, specialty trades, and used in the foregoing trades, industries or in and around the home in Class 007.
2,348,052		May 09, 2000	For: Electric power tools having an electric motor or other electric driving system, or powered by electric energy namely, chop saw in Class 007.
2,348,050		May 09, 2000	For: Electric power tools having an electric motor or other electric driving system, or powered by a source of electric energy, namely a drill, distributed for use in the construction, specialty trades, woodworking, retail sales and/or general service and repair industries and used in the foregoing trades, industries or in and around

			the home in Class 007.
2,347,982		May 09, 2000	For: electric power tools having an electric motor or other electric driving system, or powered by a source of electric energy, namely a cordless drills and driver drills, distributed for use in the construction, specialty trades, woodworking, retail sales and/ or general service trades, industries and used in the foregoing trades, industries or in and around the home in Class 007.
2,347,983		May 09, 2000	For: electric power tools having an electric motor or other electric driving system, or powered electric energy, namely a circular saw in Class 007.
2,348,049		May 09, 2000	For: Electric power tools having an electric motor or other electric driving system, or powered by a source of electric energy, namely a hand held grinder, distributed for use in the construction, specialty trades, woodworking, retail sales and/ or general service and repair industries and used in the foregoing trades, industries or in and around the home in Class 007.

2,348,073		May 09, 2000	For: Electric power tools having an electric motor or other electric driving system, or powered by a source of electric energy, namely a hammer drill, distributed for use in the construction, specialty trades, woodworking, retail sales and/or general service and repair industries and used in the foregoing trades, industries or in and around the home in Class 007.
2,347,981		May 09, 2000	For: electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely, reciprocating saw in Class 007.
2,348,074		May 09, 2000	For: electric power tools having an electric motor or other driving systems, or powered by electric energy, namely, an impact wrench in Class 007.
2,348,070		May 09, 2000	For: Electric power tools having an electric motor or other driving system, or powered by electric energy, namely, jig saw in Class 007.

2,347,976		May 09, 2000	For: electric power tools having an electric motor or other electric driving system, or powered by electric energy, namely a miter saw in Class 007.
-----------	---	--------------	--

12. The U.S. registrations for the DEWALT Trademarks are valid, subsisting, and in full force and effect, and some are incontestable pursuant to 15 U.S.C. § 1065. The registrations for the DEWALT Trademarks constitute *prima facie* evidence of their validity and of SBD's exclusive right to use the DEWALT Trademarks pursuant to 15 U.S.C. § 1057(b). True and correct copies of the United States Registration Certificates for the DEWALT Trademarks are attached hereto as **Exhibit 1**.

13. The DEWALT Trademarks are exclusive to SBD and are displayed extensively on DEWALT Products and in marketing and promotional materials. The DEWALT Trademarks are also distinctive when applied to DEWALT Products, signifying to the purchaser that the products come from SBD and are manufactured to SBD's quality standards. Whether SBD manufactures the products itself or contracts with others to do so, SBD has ensured that products bearing the DEWALT Trademarks are manufactured to the highest quality standards.

14. The DEWALT Trademarks are famous marks, as that term is used in 15 U.S.C. § 1125(c)(1), and have been continuously used and never abandoned. The innovative marketing and product designs of DEWALT Products have enabled the DEWALT brand to achieve widespread recognition and fame and have made the DEWALT Trademarks some of the most well-known marks in the construction industry. The widespread fame, outstanding reputation, and significant
