

and/or importers, has marketed, advertised, promoted, exported, and/or sold Plaintiff's Products to consumers in the United States.

12. Plaintiff's grape cutter products are loved by consumers at least because of the unique design claimed in the '996 Patent, which helps, for example, to enable parents to cut small fruits and vegetables into smaller pieces to reduce the risk of choking for infants. A representative figure from the '996 Patent is reproduced below:

Patent Number	Representative Figure	Issue Date
U.S. D1,007,996	 FIG. 1	December 19, 2023

13. The '996 Patent, entitled "Grape Cutter," matured from U.S. Patent Application No. 29/899,167, which was filed on August 4, 2023. The '996 Patent was duly and legally issued on December 19, 2023. Attached hereto as Exhibit A is a true and correct copy of the '996 Patent.
